GREETINGS FROM THE PRESIDENT

Jesus prepared himself well to do that for which God had sent him. Although being in the imperfect state, can we do less?

“Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.”

II Timothy 2:15 NIV

Barclay College, located in Haviland, Kansas, is a uniquely special place. Barclay is not a very large college and Haviland is not a booming metropolis. To some people, Barclay appears to be a very ordinary college, located in a small community indistinctive among many others in rural Kansas.

Most who have come here as students and then embarked on a life of Christian service, though, will tell you that Barclay College and the community of Haviland are very special. They will tell you that they met God in a very special way during a prayer meeting or a chapel service, during a worship service at a local church, while strolling the quiet streets of the community, or while fellowshiping in the home of one of the many Christians here.

Barclay is looking for those students who are serious about an education, particularly one that will prepare them to serve the Lord according to the call that God is placing on their lives. Every student who graduates has an opportunity to have life's answers at his or her fingertips through a firm foundation of Bible study.

While each graduate of a four-year degree has a degree in Bible, students also earn a professional degree. Whatever path of study you elect to pursue, you will find Barclay to be “committed to excellence in Christian education,” a caring community with a faculty who are experts in their fields and committed to the purpose and person of Jesus Christ. Our college has individuals, serving in all capacities, who will care about you and assist you in making your journey at Barclay a very special one.

If the Lord is leading you to help fulfill “The Great Commission,” Barclay should receive your serious consideration. A visit will sometimes help with your decision, so please consider this my personal invitation for you to visit our campus.

May the Lord give you wisdom and clear guidance as you prayerfully consider this important decision. If you are faithful, He will direct your path.

“Be still, and know that I am God.”

Psalm 46:10 NIV

Herbert Frazier
President

(adapted from the vol.56 greeting)

INTRODUCING BARCLAY COLLEGE

ORIGINS AND HISTORY

Barclay College was founded in Haviland, Kansas in 1917 as the Kansas Central Bible Training School under the leadership of an outstanding Friends teacher and evangelist, Scott T. Clark. Born out of a desire for a strong evangelistic emphasis, the college immediately became a center for the training and preparation of pastors and missionaries.

A Friends academy (1892) had preceded the Bible school, and in 1925 a two-year junior college course was added. To reflect the growing mission of the institution, the name was changed to Friends Bible College in 1930. The academy and junior-college programs served the college well until the 1960's, when it was felt that the purposes of the college and its supporters could best be realized by closing the academy and by emphasizing the four-year Bible college program.

Consequently, the academy was laid down in 1968 and the college embarked on a vigorous effort to secure the necessary faculty and facilities for the new program. This effort resulted in widespread support from the community and the college constituency and received general recognition in 1975 with the granting of full accreditation by the American Association of Bible Colleges. (AABC is now the Association for Higher Biblical Education, ABHE.)

The ABHE reaffirmed the college's accreditation in 1985, 1996, and in 2006. In the spring of 1990, the College changed its name from Friends Bible College to Barclay College. The new name honors Robert Barclay, the first Quaker theologian.

Today the college is continuing to promote and enlarge upon the emphasis that gave it birth -- a warm personal relationship with the living Christ, and a firm commitment to the Bible as the final authority for life, faith, and practice. The college closed out the 1990's and entered the twenty-first century with many exciting developments, including a new adult degree completion program begun in 1996 which is now an online program, new majors in the traditional program, a larger faculty, a new women's residence hall, a large addition to the dining commons, the renovation of the men's residence hall, a growing computer network that will link all the buildings on campus when complete, improved computer lab facilities for students, greatly expanded access to on-line library resources, and many other improvements to the campus and to the college's programs and services.

The major thrust of the College has been the preparation of Christian servant-leaders. Barclay College graduates serve with mission organizations such as Evangelical Friends International, OMS, World Gospel Mission, and Youth for Christ; minister in churches in various denominations; and provide Christian testimony and influence around the world as educators, counselors, musicians, and business persons. The college supports and contributes to the need for Christians to penetrate society through a wide variety of callings. Successful farmers, nurses, denominational leaders, and a wide variety of other professionals have been grounded in Christian work and living through the Biblically-centered education they received at Barclay College.

Barclay has always been home to students from many denominations. At present, Evangelical Friends comprise roughly 60% of the total student body. Other denominations represented include Assembly of God, Baptist, Church of Christ, Evangelical Methodist, Free Methodist, Men-

nonite, United Methodist, and many more. Graduates serve an equally wide range of denominations.

Barclay College is committed to the principle that there need be no division between members of the body of Christ who are committed to excellence in spirit, mind, and labor. The college welcomes all students and supporters whose desire is to bring honor and glory to our Lord and Savior, Jesus Christ.

STATEMENT OF FAITH

The Holy Bible

We believe that the Holy Scriptures were given by the inspiration of God; that there can be no appeal from them to any other authority whatsoever; that they are fully sufficient to make one wise unto salvation through faith that is in Jesus Christ; that the Holy Spirit who inspired the Scripture must ever be its true interpreter as He works through the disciplined and dedicated minds of those within His Church; that any professed guidance that is contrary to these Scriptures must be counted as a delusion.

God

We believe in one God, revealed through the Holy Bible in the person of Jesus Christ; that He is both the creator and preserver of all things visible and invisible; that He alone is worthy of worship both now and forevermore; and that in the unity of the Godhead there exist three persons, Father, Son, and Holy Spirit, inseparable in divinity, power, glory and eternity.

Jesus Christ

We believe Jesus Christ to be the only-begotten Son of God; that He was conceived by the Holy Spirit and born of the virgin Mary; that He is the express image of the invisible God; and that He combines within Himself both the nature of God and the nature of man in one perfect and indivisible personality; fully God and fully man.

We believe that He was crucified as an atonement for the sins of the whole world, making provision whereby humanity could find the forgiveness of sins and the power for a new life and be brought back into a perfect relationship with the Father.

We believe that He arose from the dead and then ascended to the right hand of God. He is now making intercession for us and will come to earth again to receive His Church unto Himself and to judge the world in righteousness.

Holy Spirit

We believe the Holy Spirit to be the third person of the Godhead, proceeding from both Father and Son, but equal with them in authority, power, and glory. He convicts the world of sin, imparts life to the penitent believer, sanctifies the child of God, and enables one by His indwelling presence to love God supremely.

Humanity

We believe that God created humans in His own image; that they enjoyed unbroken fellowship with their Maker; and that their whole life is centered in the person of God. We believe that humans fell from this original state by an act of transgression; that in this fall they suffered the immediate loss of their perfect relationship to God, making self the center of life; and that in this act they suffered immediate spiritual death. In this disposition to sin, all people are born. We own no principle inherent naturally in people by which they may be saved, except by the grace of our Lord Jesus Christ as a provision for all humanity.

Salvation

We believe that by the grace of our Lord Jesus Christ and by the direct and immediate agency of the Holy Spirit, a person may be recovered from the fallen state through divine enlightenment, forgiveness of sin, regeneration and sanctification of affections, and the final glorification of the body; that in this life a person may love God with all one's heart, soul, mind, and strength; that one may live in victory over sin and enjoy unbroken fellowship with the Father; and that once more one's whole life may center in and revolve around one's Creator and Father.

We believe sanctification to be both a crisis and a process. As a crisis, sanctification is accomplished by the baptism with the Holy Spirit in the life of a dedicated and believing child of God, in which the heart is cleansed from an imperfect relationship and state. As a process, sanctification continuously disciplines the life into paths of holiness. We believe that the baptism with the Holy Spirit (entire sanctification) is the work of God's grace by which the affections of people are purified and exalted to a supreme love of God, and the believer is empowered to witness to the living Christ.

We believe that, by the grace and power of God, through faith in the crucified Christ, the believer is assured of eternal life with the Triune God, and that no power on earth or in heaven can sever that relationship against the will of the believer. We believe, however, that by willful choice a child of God can return to that sinful state from which he or she had been lifted. Such apostasy destroys not only his fellowship with God, but also the eternal life with which he had been endowed, so that for him remains only the eternal death of the unbeliever. However, such is the grace of God that, so long as life in the body remains, the prodigal may, through repentance, confession and renewed faith, return to "the Father's house" and be fully restored to eternal life and fellowship with Him.

The Church

We believe that all those persons who repent of their sins and believe in Jesus Christ as their Savior are born again into His kingdom by the Holy Spirit. These constitute the Church universal of Jesus Christ. This Church we believe to be spiritual in nature, universal in scope, holy in character, and redemptive in her life and purpose.

We believe that wherever two or three are gathered together in the name of Christ, He is truly present in the person of the Holy Spirit and that such an assembly is a local church, the visible expression of His body, and the Church universal.

We believe that every believer should be attached to the local and visible body of Christ, being fitly framed together with others into a holy temple in the Lord and built for a habitation of His Spirit.

Christian Work

We believe that in the church, the believer is committed to both the worship and the work of God. This work involves not only personal righteousness as the fruit of a new life, but also the ministry of evangelism and teaching. The commission of Christ for every believer involves the stewardship of the kingdom, which it is fulfilled only by faithful service in and through the fellowship of His Church. This work is continuous until Christ comes again calling the Church unto Himself. We believe that all Christians are called upon to witness by word and deed within a sinful world, not returning evil for evil, but, like Christ, demonstrating love, forgiveness, and the way of peace.

We believe that in the fellowship of His body, the Holy Spirit gives to every member gifts of ministry to be exercised for the mutual advantage of every other member in the body, and for the influence of the Church upon those outside. There is a ministry that is such a gift given to certain ones whom God calls and ordains for leadership in His Church.

Resurrection and Judgment

We believe in the second coming of Christ: that at His coming the dead shall be resurrected, some to everlasting glory and others to everlasting shame; that we shall all stand before the judgment seat of Christ to receive recompense for the things done in the flesh. The judgment of the blessed shall be life everlasting in heaven, and the judgment of the lost life everlasting in hell. Judgment is in the hands of our compassionate Redeemer, who does all things after the counsel of His wisdom, love, and holiness.

(Adapted from the Statement of Faith of the Evangelical Friends Alliance, and approved by the Barclay College Association March 30, 1991.)

MISSION STATEMENT

Barclay College prepares students in a Bible-centered environment for effective Christian life, service, and leadership.

To accomplish this mission, Barclay College has been established as a baccalaureate-level Christian institution of higher education which challenges students to explore, understand, and acquire the skills necessary to respond to the call of God upon their lives.

INSTITUTIONAL GOALS

Two primary goals guide the development and practices of Barclay College's educational and ancillary programs. Both goals are reflected in elements of the College's mission statement, as noted below.

Prepare students in a Bible-centered environment indicates that the primary undertaking of the College is education with an integrated biblical perspective. Barclay College strives for academic and spiritual excellence by providing an environment that encourages higher levels of inquiry and learning. Bible instruction, the integration of biblical principles across the curriculum, general education, and professional preparation are emphasized to ensure that the College accomplishes the first major goal: **assisting each student in developing a Christian world view and a collegiate level of knowledge appropriate to college graduates generally and to their chosen field specifically.**

Effective Christian life, service, and leadership means that Barclay College views its mission as broader than simple preparation for a career or helping students acquire knowledge. Rather, the college desires to assist students in knowing God, and from that relationship constructing meaning and understanding that will inform all of life's endeavors. The second major goal of the College, then, is **graduating men and women from both the Haviland campus and various extension sites who can be generally characterized as biblically literate, prayerful, mission-minded, servant-oriented, evangelical Christians who are able to provide leadership to the church at large and in various professional fields.**

PHILOSOPHY OF EDUCATION

The college believes that true education must begin with God and His direct revelation to humanity through the Bible. Understanding that all that is has proceeded from God gives meaning and coherence to all other inquiry. Education, then, is a process directed by God in which the individual acquires knowledge or skills that contribute toward a greater understanding of, and ability to accomplish, the purposes of God for the individual and for humanity generally. We believe that effective education contributes to all areas of the individual's life, giving the educated person increased ability to live a life that is orderly, peaceful, purposeful, productive, and in harmony with God. Education should reveal to the student that God's involvement with humanity and with the physical creation is comprehensive and personal. The formation of this coherent Christian world view produces individuals who are increasingly characterized by a Christ-like love for all people and a desire to be involved as a steward in work which contributes to the management and care of the physical creation and the physical and spiritual welfare of humanity.

SPECIFIC OUTCOMES

In keeping with Barclay College's mission statement, goals, and philosophy of education, specific outcomes are expected which provide both a framework for the design and evaluation of the College's programs and practices, and a basis for assessing student progress. These outcomes are grouped in three areas, as noted below:

Christian Life and Character

- Students will understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
- Students will exhibit a developing and increasingly coherent Christian world view that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
- Students will have the basic knowledge and ability to minister to others in their own cultural group and across cultural boundaries.

Biblical and Theological Literacy

- Students will have a working knowledge of the Bible and essential Christian doctrine.
- Students will be equipped with the skills necessary for personal Bible-study and spiritual growth.

Personal and Professional Abilities

- Students will be able to find, process, and apply information; thus having the foundation for becoming a life-long learner.

- Students will demonstrate the ability to work productively both independently and in teams.
- Students will communicate articulately in written and verbal forms.
- Students will use technology to learn and to be productive.
- Students will demonstrate initiative and the ability to think critically.
- Students will possess current, baccalaureate-level knowledge and skills in their chosen professional field.

MANAGEMENT

The college is owned by the Barclay College Association Inc. Barclay College was incorporated under the laws of the State of Kansas in 1917, and is authorized by the State of Kansas to grant degrees. The College is governed by a Board of Trustees.

Any person, church or organization interested in supporting the work of the college may become a member of the Barclay College Association by subscribing to its statement of faith, paying an annual membership fee, and being admitted to the Association.

ACCREDITATION AND AFFILIATIONS

Barclay College is accredited by the Association for Biblical Higher Education (ABHE), a national accrediting agency recognized by the US Department of Education and the Council for Higher Education Accreditation (CHEA). ABHE may be contacted by writing to Association for Biblical Higher Education; 5575 S Semoran Boulevard, Suite 26; Orlando, FL 32822-1781; by calling (407) 207-0808; or through their website at www.abhe.org.

The college is listed in the current edition of the Higher Education Directory and is approved for the training of veterans. Barclay College is a member of the Association of Christian Schools International (ACSI). Other offices and personnel on campus maintain membership in a wide variety of professional organizations appropriate to their work.

Barclay College graduates have found acceptance into leading seminaries and graduate schools. The documents describing the college's accreditation and licensing may be viewed in the Business Office where they are on display. Those desiring further information regarding the accreditation of the college should contact the Vice President for Registration and Records at (620) 862-5252.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Barclay College protects the rights of students as stipulated in the Family Educational Rights and Privacy Act of 1974 (FERPA). This Act gives college students the right to inspect, review, and challenge the content of their educational record and prohibits the release of educational records without the student's prior written consent except in specific circumstances.

The following categories of personally identifiable information have been designated as public and are a matter of directory to be shared with the College community and with the general public as needed: name, local and permanent address, campus email address, phone number, date and place of birth, marital status, state and county of residence, home church, class, major field of study, dates of attendance, degrees and awards (including scholarships) received, participation in officially recognized activities and sports, and weight and height of members of an athletic team.

Students currently enrolled may withhold disclosure of information in any category by requesting this in writing at the Academic Office. Written request for non-disclosures will be honored for a maximum of one year. Barclay College assumes that failure to complete the request indicates approval for disclosure.

Grade point averages, course grades, and records of probation will be released only to the student and appropriate members of the administration and faculty as needed as part of a College program. Transcripts require the student's signature before they can be released. More detailed information concerning access to records and procedures for students to follow are outlined in the annual Barclay College *Student Handbook*.

LOCATION AND REGIONAL FACILITIES

Barclay College's main campus is located in south-central Kansas in the town of Haviland, immediately north of US Highway 54 between Dodge City and Pratt. The location combines the advantages of a very friendly, safe, small-town environment with easy access to larger-town services about ten to twenty minutes from the campus.

The area is well served by numerous churches of various denominations, several medical clinics, two hospitals, local radio, cable and satellite TV, restaurants and cafés, national retail and grocery chains, and local businesses. Wichita, the nearest major city, is approximately 90 miles east of the campus, and provides air transportation as well as numerous cultural and sporting events and a wide variety of shopping and restaurants. The college often provides transportation services to area towns and cities for students who are without personal vehicles.

HAVILAND CAMPUS FACILITIES

Barclay College is blessed with an attractive, open campus of approximately seventeen acres and seven major buildings:

Broadhurst Student Center, containing the dining commons, student lounge, bookstore, Bear's Den snack bar, game room, and mailboxes.

College Hall, providing women's residence facilities, laundry, and Student Council offices.

Coppock Hall, housing men's residence facilities and laundry.

Worden Memorial Library, housing the library collection, student computer lab, faculty offices, instructional media center, and classrooms (LCR, LMC, LCL, and LQR). The Barclay College Tutoring Center is situated in the library.

Hockett Auditorium, which serves as the center for the Barclay Bear's athletic programs, containing the gymnasium/auditorium, performance stage, concession center, and locker rooms.

Jackson Hall, containing classrooms, science lab facilities (JH1, JH2, JH3, JH4).

Phillips Hall, holding administrative offices, the business office, office of admissions, external studies offices, yearbook offices, music department offices, practice rooms, and classrooms (PH2, PH10, PH12, PH13, PH14, PH204).

Admissions and Registration

ADMISSIONS

Barclay College exists to prepare students to be effective Christians. Our admissions standards and qualifications give attention to prospective students' academic potential and to their Christian spiritual commitment. Barclay College actively recruits all students who want to acquire their college education in a climate that is decidedly Christian, Bible-centered, academic, and committed to preparing students for effective Christian service.

APPLICATION

Interested students are invited to contact Barclay College Admissions by phone, e-mail, mail, or web site to request an application packet, or to apply on-line from the college website.

Conventional Mail:

Admissions Office
Barclay College
607 N. Kingman
Haviland, Kansas 67059

The "Application for Admission" packet contains several sections:

- I. The application form itself, which requests some biographical data, some essay answers, and a current photograph (if desired). The essay questions give the admissions staff insight into the prospective student's writing skills, Christian experience, and academic and ministry goals.
- II. Reference forms: These give individuals who know the prospective student the opportunity to reflect on the student's individual strengths and academic ability. These should be forwarded to individuals who can comment on both character and the student's ability to do college-level work.
- III. A transcript or portfolio of high school study is requested. High schools forward this document to Barclay College at the prospective student's request. A high school diploma or equivalent is required for admission.
- IV. ACT test scores are requested. Applicants to Barclay College are required to take either the ACT or SAT test, with the ACT preferred. Prospective students are encouraged to take the test in the spring of their junior year in high school, and again if desired in the fall of the senior year. Only the highest test score achieved will be considered in the admissions and scholarship process.
- V. A \$20 application fee must be enclosed with the application form. If you apply using the college's website, your fee will be waived.

The Application for Admission also serves as the application form for most institutional financial aid, but an additional form is needed to apply for federal financial aid. (Please see the Financial Aid section of this catalog beginning on page 30.) If you have any questions about the application procedure, please call and ask for additional information. Barclay College operates on a rolling admissions basis. As soon as all of your materials are received, you will be contacted to setup a personal interview. A decision will then be made on your admission and you will be notified of your status.

STANDARDS

Barclay College admits students based on academic record and abilities, Christian commitment, and agreement with the established purposes of the College. Admission and attendance at Barclay College is a privilege and not a right of any student. Barclay College does not discriminate on the basis of sex, race, color, national or ethnic origin, age or physical disability in the administration of any of its programs or policies. Regular admission to the college will be granted to students who meet all of the college's admissions standards, have completed high school or earned the GED, have cumulative high school or college grade point averages of 2.3 or better, and who have scores of at least 850 on the SAT or 18 on the ACT tests. Certain programs of the College may have additional admissions requirements, and admission to the college does not guarantee admission to a particular course of study.

Students who do not meet the requirements for regular admission may be permitted to attend the college under conditional admissions standards. These include a limit on number of hours per semester, required study halls, remedial courses, or additional requirements designed to help the student make the transition to college life and succeed in college studies.

HOME SCHOOLED STUDENTS

Many home schooled students have found a warm welcome and inviting community at Barclay College. Some of the college staff are home schooling parents, so the unique aspects of home schooling are understood and appreciated on the Barclay Campus. Home schooled students are eligible for all financial aid and other programs normally provided to students. The college has the same admissions requirements for home schooled students as for all others – documented completion of a high school curriculum with a cumulative grade point average of 2.3 or better, and scores of 850 or better on the SAT I test or 18 or better on the ACT test, which is the preferred exam. Home school transcripts or portfolios can be used to document the student's course of study, and a graduation date should be included. If grades are not used, portfolios or other work samples can be used to determine achievement levels. The academic office will be very happy to help home schooling parents prepare records if desired: please call (620) 862-5252 and request the Vice President for Academics office if we can be of assistance.

As for other students, home schooled students who do not meet the normal admissions criteria may be considered for admission on a conditional basis as explained in the section above.

INTERNATIONAL STUDENTS

Barclay College accepts the applications of students from a variety of countries and cultures. Those students from outside the United States who wish to study at Barclay College should write explaining their interests, educational background, and financial resources to the Director of Admissions, Barclay College, 607 N. Kingman, Haviland, Kansas 67059 USA.

International students are required to demonstrate proof of ability to finance their college education prior to enrollment at Barclay College. International students with officially documented financial need may be eligible to apply for a limited number of competitive institutional scholarships. Application for the scholarships will be made after the initial contact process is complete.

TRANSFER STUDENTS

Barclay College welcomes transfer students. Those desiring to transfer to Barclay must complete an application for admission and should furnish a transcript of all high school and college work previously taken for credit. Normally, transfer students are accepted only with evidence of an honorable withdrawal.

In the acceptance of transfer credits the college will be guided by the prescribed policy of the Association for Biblical Higher Education (ABHE).

Credits are accepted for relevant subjects from accredited members of ABHE and from other schools accredited by recognized regional, national, and professional agencies on the basis of the equivalency for work of a C grade or higher. Credits from non-accredited, non-member schools are accepted only on the basis of sound validation. Final validation of transcripts of transfer students from non-accredited schools will be withheld until satisfactory completion of approximately 30 semester hours at Barclay College.

RE-ADMISSION

Students who have previously attended Barclay College and have not enrolled for at least one semester, must re-apply for acceptance. Contact the Admissions Department for details.

REGISTRATION

Registration and enrollment is held each semester on scheduled days, and all students should plan to register at those times. A late fee of \$20.00 will be charged for registration any time after the announced registration period. No enrollments are permitted after two weeks of the semester have elapsed without special permission from the Vice President for Academics. Registration is not complete until tuition and fees have been paid. Students will receive credit only for those courses for which they are officially enrolled in the Registrar's office.

Changes in course enrollment during the first two weeks of classes will not appear on the student's permanent record.

Those who drop courses may enroll in another course within the first two weeks of the semester provided approval is given by the Vice President for Academics and the instructor. Such changes are to be made in the Office of the Registrar. A charge is assessed for all changes made after the first two weeks.

ACADEMIC ADVISING

Each student on the campus is assigned an advisor. The advisor will assist the student in choosing classes and sequence that will lead to successful completion of the student's chosen degree requirements, but it is ultimately the responsibility of the student to ensure that all requirements are met. Early choice of vocational objectives will aid in the meeting of requirements within the minimum time interval. Success in meeting degree requirements is enhanced by following course

outlines provided in this catalog and by examining credit analyses supplied to the student's advisor by the Registrar. Students are encouraged to visit with their advisors on a regular basis.

AUDIT

Students who audit a course are permitted to attend class sessions but are not required to take tests or examinations. They receive no credit. Permission to audit a course is given by the Registrar and the instructor of the course. Students cannot change from credit to audit after the sixth week of the semester.

WITHDRAWAL

To withdraw from a class, students must obtain a "Schedule Change" form from the Registrar, present the form to their advisor for their signature, then obtain the signatures of all professors involved, and return the completed form to the Registrar. No student is officially withdrawn from a class until this procedure is completed. Refunds and transcript entries will be calculated from the last date of class attended, but will not be computed until all paperwork is returned to the Registrar.

No record is kept of courses dropped during the first two weeks of a semester. During the next nine weeks courses dropped will show on the record as "W." Any course dropped during the twelfth through the fifteenth week will be shown as "WP" or "WF." After the fifteenth week all withdrawals will be recorded as "WF." If a student withdraws from the college, the withdrawals are listed as "W."

Expenses and Financial Aid

TUITION AND FEES

Barclay College offers quality education, comfortable housing, an excellent meal plan, and associated student services at the lowest possible cost to the student. Every student attending Barclay College pays only a part of the actual cost of their education since the tuition and fees collected amount to less than the college's actual costs of providing the educational experience. Income from contributions, earnings on the endowment, grants, and other sources offset the total cost of a student's education.

Following are summaries of annual expenses a student might incur. Charges shown are for the academic year beginning Fall 2008. The College reserves the right to adjust tuition and fee schedules from year to year as necessary. Students may find some variation from the charges listed depending on course schedules, housing and meal plans, etc.

APPROXIMATE ANNUAL COST

On-Campus

	Fall 2008	Spring 2009	Academic Year
Tuition	\$5,250	\$5,250	\$10,500
General Fees	\$1,250	\$1,250	\$2,500
Room & Board	\$3,150	\$3,150	\$6,300

Less Full Tuition Scholarship	-\$5,250	-\$5,250	-\$10,500
Grand Total	\$4,400	\$4,400	\$8,800

* Note: On-campus total cost includes tuition (12-18 hours), room (with roommate), board (20 meal plan), and general fees.

Off-Campus

	Fall 2008	Spring 2009	Academic Year
Tuition	\$5,250	\$5,250	\$10,500
General Fees	\$1,250	\$1,250	\$2,500
Total *	\$6,500	\$6,500	\$13,000
Less Tuition Scholarship	-\$2,100	-\$2,100	-\$4,200
Grand Total	\$4,400	\$4,400	\$8,800

* Note: Off-campus total cost includes tuition (12-18 hours), and general fees.

The approximate total cost does not include personal expenses such as textbooks, personal transportation, etc. Some students may incur some additional expense as noted below under "Other Fees." Admission to most campus activities, a yearbook, and other services that many schools list under a separate fee structure are included in Barclay College's tuition.

TUITION PER CREDIT HOUR

For fewer than 12 hours, or more than 18, tuition is billed at \$250.00 per credit hour. There are no additional fees charged; the rate is inclusive of all campus services available to part-time students. Students may still incur additional personal expenses such as textbooks. Students with 1 to 4 hours are given a discounted rate.

PAYMENT PLANS

There are two payment plans for Fall and Spring semester:

1. Semester Plan: The entire balance due is paid on or before Registration Day.
2. Monthly Payment Plan: A monthly payment plan is available. Information detailing the monthly payment plan is available through the college business office.

Tuition and fees for Summer classes must be paid in advance before the Summer classes begin or students will not be allowed to register; payment in advance is the only payment plan available for Summer sessions or classes.

All existing bills must be paid in full before a student can register for the next semester or session.

REFUND AND WITHDRAWAL POLICY

The College maintains a refund and withdrawal policy in accordance with Department of Education guidelines as outlined below:

REFUND POLICY for students withdrawing from the College:

Other fees paid are not refundable on or after the first day of classes of a semester. Students withdrawing before the first day of classes of a semester will receive a 100 percent refund of fees paid with the exception of the application fee. For the purposes of determining when a Statutory Pro Rata Refund Calculation is required, the College defines a “first-time student” as one who is in their first semester of attendance at Barclay College.

Refunds on tuition, general fees, room rental, and board charges will be granted according to the following schedule.

	Refund to Student	Retained by College
Before the first day of semester.	100%	0%
Within the first 10 calendar days.	90%	10%
Within calendar days 11-25	75%	25%
Within calendar days 26-50.	50%	50%
Between calendar days 51-75.	25%	75%
After the 75 th day.	0%	100%

Note: Scholarships will be prorated as the above table.

A student has not withdrawn from college by simply failing to attend class. To be eligible for any refund, students must complete official withdrawal forms which are available in the Registrar's office. Refunds will be calculated based upon last day of class attendance, last night in dormitories, and last meal eaten as long as completed withdrawal forms are received in the Registrar's office within two weeks of any of those dates. Students who fail to submit completed withdrawal forms within the two-week period will have any refund for which they are eligible calculated from the day the completed forms are received.

The total refunds for withdrawing students will never exceed the total amounts (e.g., tuition, fees, room and board, etc.) charged for the term. Any financial aid refund not due to the Title IV programs will be mailed to the student's home address. Credit balances resulting from anything except for withdrawal from the College will be retained on the account or refunded in accordance with the student's request.

In accordance with federal and state regulations, when Title IV funds are involved, refunds are first apportioned among the various types of aid (institutional, state and federal) and then to the student. Refunds to the federal aid programs are allocated in the following order: Federal SLS loan; Unsubsidized Federal Stafford Loan; Subsidized Federal Stafford Loan; Federal PLUS Loan; Federal Pell Grant; FSEOG; Other Title IV Aid programs; other state, private, or institutional aid; and finally, the student.

Students suspended or dismissed from the college for academic or disciplinary reasons will receive a refund (per above) and will not be charged an administrative charge.

No refunds are given for incomplete independent study or Home College courses.

Additional refund policies as noted below apply when a student stays enrolled in the college, but withdraws from certain classes during the course of a semester:

1. Tuition may be credited to the student's account if the withdrawal from class reduces the hours for the semester to or below the threshold level of full-time maximum (18 hours). The same adjustment may be made if a withdrawal should result in a student dropping below the full-time minimum of 12 hours. Tuition may be credited according to the following schedule:

	Refunded to Student	Retained by College
Within week 3	100%	0%
Within week 4	90%	10%
Within week 5	25%	75%
After week 5	0%	100%

The usual drop/add fee is charged independently of these computations.

FINANCIAL AID

Financial aid programs offer support to students in the form of scholarships, grants, loans, and employment. Generally, scholarships and grants are considered "gift" aid and loans and employment are considered "self-help" aid. Currently, over 90% of Barclay's students receive "gift" aid and all full-time students are eligible to receive some form of "self-help" aid. Sources of financial aid which are available from Barclay College include the federal government, state programs, and local or private sources.

Federal financial aid is awarded primarily on the basis of financial need. Financial need is defined as the difference between the cost of attending Barclay College and the expected family contribution (EFC).

The Free Application for Federal Student Aid (FAFSA) is used by the federal government to determine the EFC. The output document produced from the FAFSA is the Student Aid Report (SAR). In order for a student to receive any financial aid from Barclay College, the College must receive a valid SAR each school year. This means that students and their families must complete a

FAFSA form each year either from a printed form or on-line (see www.fafsa.ed.gov). The college code is 001917. FAFSA forms are available in the Student Financial Services Office at Barclay College, as well as at most high school guidance offices. You may also complete the FAFSA on-line on the internet at www.barclaycollege.edu/Finances.

Most aid programs require that a student be enrolled full-time (minimum of 12 credit hours per semester). Students who plan to enroll on a part-time basis should contact the Financial Aid Director about the availability of financial aid.

FINANCIAL AID AT BARCLAY COLLEGE

The various types of financial aid and scholarships available at Barclay College are represented below. Since financial aid programs and available scholarships change from time to time, students should view the following pages as a general guide and rely on their personal contact with the Barclay College Student Financial Services Office for the most accurate and current information.

ON CAMPUS

Barclay College will award all full-time on-campus students who are not on academic probation with a yearly scholarship of \$10,500.

Your application for admission serves as your scholarship application.

An official financial aid award letter is sent to each student after completion and processing of all relevant financial aid application forms.

OFF CAMPUS

Barclay College will award all full-time on-campus students who are not on academic probation with a yearly scholarship of \$4,200.

Your application for admission serves as your scholarship application.

An official financial aid award letter is sent to each student after completion and processing of all relevant financial aid application forms.

Federal and State Grant and Loan Programs

The Federal Pell Grant and the Kansas State Scholar programs award funds to students on the basis of eligibility standards set by federal and state regulations. The Federal Supplemental Educational Opportunity Grant is funded by the federal government and awarded according to eligibility standards set by the government and Barclay College. Funds from these programs are available only to students who demonstrate financial need. Barclay College students are also eligible for aid through the federal student loan program. Students will use the Free Application for Federal Student Aid (FAFSA) form to apply for federal financial aid programs.

STUDENT EMPLOYMENT

Interested in employment on the Barclay College campus? Students may qualify for employment through the College by completing the FAFSA. Students with the greatest amount of determined financial need will be given preference for institutional employment. Employment positions are available throughout the College.

Students interested in seeking employment on campus should first contact the Student Financial Services Office. Employment may be awarded as part of their financial aid package. Students are generally assigned to service-oriented positions in the food service, grounds, custodial services, library, or maintenance department. These areas provide vital services for the daily operation of the College and require a number of student workers in order to run effectively. Hours are usually limited to seven per week. Paychecks are issued to students each month for hours worked.

Federal Work Study students must maintain satisfactory academic progress and they must receive an acceptable student employment evaluation to remain eligible for the Federal Work Study program.

HOW TO APPLY FOR FINANCIAL AID

- Apply for admission to Barclay College. A financial aid package will not be awarded until acceptance is finalized. The application for admission is also the application for institutional merit-based financial aid, but not for need-based or federal financial aid.
- Complete the Free Application for Federal Student Aid (FAFSA). The FAFSA can be obtained from high school counselors or by writing or phoning Barclay's Student Financial Services Office (607 N. Kingman, HaviLand, KS 67059, 1-800-862-0226). It can also be completed on-line by going to www.barclaycollege.edu/Finances and following the FAFSA links. Some financial aid sources have limited funding; therefore it is important to complete this application early.
- Students with any college credit, regardless of whether or not financial aid was received at the college, must request that a Financial Aid Transcript be sent to Barclay College.

OTHER IMPORTANT INFORMATION

- The Student Financial Services Office may be required by the federal government to request income tax information from some students and their parents.

- Students are encouraged to energetically pursue all sources of aid. High school counselors, libraries, and Barclay's Financial Aid Director can provide students with information on available grants and scholarships.

Satisfactory Academic Progress

Federal regulations require the College to establish and apply reasonable standards of satisfactory progress for the purpose of the receipt of financial assistance under the programs authorized by Title IV of the Higher Education Act. The law requires institutions to develop policies regarding satisfactory academic progress (SAP) for each degree program and the consequences to the student if progress is not achieved. BC students who wish to be considered for financial aid must maintain satisfactory progress in their selected course of study as set forth in this policy.

Institutional Policy

The Financial aid Office evaluates student academic progress at the beginning of each award year. Students are evaluated on the basis of grade point average (GPA), credit hour completion, and maximum time frame limitation.

1. Grade Point Average

With a completion of	1-24 hours	25-55 hours	56 or more hours
A minimum GPA of	1.75	1.90	2.00

2. Credit Hour Completion

Students are also required to meet a measure of incremental progress. Students must: maintain a cumulative grade point average of at least 67% (courses used here will be those in which the student is enrolled at the official reporting date (20th class day).

3. Maximum Time Frame Limitation (Degree Completion)

Students are also subject to a quantitative measure of progress.

Students must: maintain a cumulative maximum time frame of at least 67% (courses used here will be those in which the student is enrolled at the official reporting date (20th class day).

Institutional Procedures

Students are notified of the Satisfactory Academic Policy (SAP) in the BC Academic Catalog. In addition, a SAP policy letter is mailed to aid recipients with each award letter.

1. Denial

A student will be denied assistance if any of the following occurs:

1. The student's GPA is below the minimum requirements as defined above
2. The student does not make the incremental progress as described above.
3. The student reaches the maximum time frame for completion of his/her program as defined above.

2. Probation

A student will be placed on probation if the cumulative grade point average is not met or if the cumulative maximum timeframe is not achieved.

A student seeking to reestablish eligibility of financial aid may do so by:

1. Achieving the required GPA.
2. Appealing the financial aid decision.

Appeal Process

Any student denied financial aid that can prove special circumstances pertaining to his/her case, may appeal the decision denying aid.

Consequences of Denial

Students who do not maintain satisfactory academic progress lose eligibility for aid for the entire academic year. Exceptions must be approved and documented in the student's file.

Student Life and Activities

STUDENT LIFE

Students at Barclay College are part of a unique Christian community of learners. Membership in that community brings both responsibilities and privileges that make student life on the Barclay campus a very meaningful and rich part of the student's college experience. Student activities and relationships outside the classroom can contribute significantly to the student's understanding of and preparation for an effective Christian life.

Prior to the beginning of classes, orientation activities are planned to help freshmen and transfer students enter into the life of the college. Student and faculty presentations, tests, social activities, and devotionals are all a part of orientation.

Special events on the campus each year include Homecoming, the annual Christmas Banquet, concerts, athletic events, films, etc. These range from the formal to the casual, but in each event the college strives to uphold and promote wonderful fellowship in a Christian setting.

STUDENT COUNCIL

The Student Council (STUCO) serves as the organization of student government, and organizes the governmental structure for classes, approves student fund-raising projects, supervises student elections, authorizes student publications, and shares with the faculty and administration the responsibility for the social life of the campus. STUCO officers are elected each year by the student body as a whole. Other council members are elected as class and organization representatives. An advisor to the Student council is appointed by the college administration. Various events and activities are organized by STUCO during the academic year.

ATHLETICS

Barclay College competes in intercollegiate soccer and basketball for men, and in volleyball and basketball. The college is a member of the Midwest Conference of Christian Colleges (MCCC) and the Association for Christian College Athletics (ACCA). The friendly, personal atmosphere of the campus extends to the athletic program, and many students who had not originally planned to be involved in college sports find they are welcome members of Barclay's teams.

Intramural sports also play an important role on the Barclay campus. Volleyball, tennis, basketball, flag-football, and other sports attract active participation from the student body.

SPIRITUAL EMPHASIS

Barclay College is an emphatically Christian institution. Learning, living, service to others – everything that we are and do we regard as worship and stewardship before God. The emphasis on campus is our walk with God through Jesus Christ, and our growing understanding of how that relationship is lived out on a daily basis is the real heart of Barclay College. Spiritual understanding and growth on campus is addressed in classes, in small groups, informally with faculty and friends, in chapel, and in Christian Service and other ministry opportunities.

One of the special means for emphasizing our relationship with Christ and with the Barclay community is through the weekly chapel services. During chapel, students, faculty, staff, and administrators join together in worshipping God, learning how to follow Him, and learning how to minister more effectively. Students frequently testify that “God changed my life during a special chapel service.” Attendance at the twice-weekly chapel service is required of all students. Student-led services are also held regularly at which attendance is optional.

Chapel serves as part of the overall educational and spiritual mission of the college, and so has several functions. The purpose of the chapel program at Barclay College is fourfold:

- 1) Chapel provides a time for the campus community to worship and pray together,
- 2) The chapel services provide an opportunity for spiritual teaching common to everyone on campus,
- 3) Chapel services provide an opportunity to teach and practice different styles of worship, teaching, and preaching; thus more fully preparing Barclay students to function as leaders in many diverse worship settings,
- 4) Chapel services can function as a practical, meaningful laboratory in which students on campus can practice and enhance their ministry skills through music, drama, reading, preaching, public prayer, and personal testimony.

In addition to the regular chapel services, the College sponsors two separate weeks of intensive focus on the Christian’s spiritual walk. In the fall, the College celebrates Spiritual Emphasis Week. A gifted speaker is brought to campus to challenge the college community to consecrate every part of their lives to Jesus Christ. In the spring, Missions Emphasis Week features missionaries or missions agencies that present their various ministries and opportunities around the world. The academic office publishes the schedule in advance of the Emphasis Week. All students are required to attend the special services.

MUSIC MINISTRY

Barclay College emphasizes the ministry of music. The concert choir is the principal concert group of the college. The choir ministers to local churches on various Sundays during the school year, and schedules a concert tour to various regions of the country each spring. Participation in choir is open to all students regardless of major, but is by audition only.

In addition to the large choir, various small ensembles are formed during the school year. The BC Singers, a special group of select voices, and other ensembles including trios and quartets, provide inspirational music for churches, service clubs, and schools by means of their outstanding music and Christian testimony. Participation in each of these groups is done by audition through the music department.

In addition to the many musical ensembles, the college also puts together a small drama group. Over the years, this group has provided a unique ministry to the college, churches, and organizations through the dramatization of biblical and ethical themes.

STUDENT SERVICES

Some of the services available to students of Barclay College are highlighted below:

On-campus employment is available in maintenance, grounds keeping, secretarial, clerical, and other areas. Off-campus employment is also available in the area in construction, farm work, childcare, retail, clerical work, and much more. The college maintains a bulletin board which lists current employment opportunities. Employment programs are administered through the Financial Aid or the Vice President for Student Services offices. Students who want to work find plenty of opportunities in Haviland and the surrounding communities.

Medical care is available at the health clinic downtown Haviland (two blocks from campus) and off campus at area clinics and hospitals. Both Pratt (about 25 minutes east) and Greensburg (about 10 minutes west) have fine modern hospitals. Greensburg is home to one family practice clinic, while several general practice and specialty clinics are located in Pratt.

Housing and Boarding: All unmarried, full time students aged 22 and under who are not living at home are required to live in college housing and eat in the college dining hall. Barclay dorms are air-conditioned, clean, attractive facilities with lounge facilities and comfortable amenities. The men's residence hall was extensively remodeled in 1998; the women's residence hall is a modern building completed in spring 2000. Telephone service, Internet access, and cable TV can be ordered from local service providers. The dining commons features a variety of nutritious, professionally prepared main dishes at each meal, with complementary salad, sandwich, drink, and dessert bars. The Bear's Den Snack Bar rounds out the food services on campus. Faculty and staff often eat the noon meal with students in the commons, providing additional opportunity for informal camaraderie and discussion. The dorms and dining commons are open every day during the academic term, with the exception of Thanksgiving Break, Christmas Break, and Spring Break.

Recreation is available on campus and in the surrounding area. On campus, the gymnasium is kept open for indoor sport at convenient hours, and the student center lounge with large-screen TV and nearby game room are available as well. Intramural or informal sports activities are scheduled on the soccer field or in the gym throughout the year. Tennis courts and a weight room are available for Barclay student's use at the local school district buildings about a five-minute walk from campus. Within ten to thirty minutes of the campus are additional tennis courts, outdoor public swimming pools, movie theaters, shopping, two public golf courses, outdoor sports facilities, and attractive parks. Students wishing to venture a little further away will find lakeside camping, nature trails, urban sports venues, extensive shopping, theater, museums, and other attractions within an hour or two's drive from the campus.

Students on the campus have access to **computer and Internet services** through the BearNet college computer network in the dorms, classrooms, the library, and the computer lab. A variety of productivity software is available for use, as are specialized programs connected to the curriculum. Students receive a college email account and password privileges to an extensive collection of research and other learning resources managed by Worden Memorial Library. Laser printers and other quality peripherals support student work.

Students planning beyond graduation will want to take advantage of the college's **career planning services**. Tips on résumé writing, job seeking, and prospective employer files are provided to assist students with employment searches following graduation.

STUDENT STANDARDS

At Barclay College we seek earnestly for that quality of life which manifests the fruit of the Spirit: "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self control. Against such things there is no law." (Galatians 5:22-23 NIV)

All members of the college community are expected to be in regular attendance at chapel services on campus, and at Sunday services at the church of each person's choice. It is expected that each member of the campus community will strive to live in a way which enhances the campus environment for all, as the Bible instructs in the letter to the Philippians: "Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others." (Philippians 2:3,4 NIV)

Any community which agrees to live together in Christian love faces the necessity of providing for itself a framework of rules which will outline the purposes and practices which it finds acceptable or unacceptable. Based on various biblical principles and considering the need to maintain a clear Christian testimony before the world at large, the Barclay College community prohibits the use of tobacco, illegal drugs, alcoholic beverages, profanity, gambling, social dancing, and sexual activity outside of traditional heterosexual marriage.

Dishonesty, disrespect for other members of the college community, or behavior which is consistently inconsiderate of others on campus is unacceptable. Cheating in any form is considered a serious offense at Barclay College. Academic dishonesty is inconsistent with a Christian testimony and may be considered adequate cause for immediate suspension or dismissal from the College.

Barclay College is a private institution, and association with the college is a privilege and not the right of any member of the campus community. The *Student Handbook* further details college policy regarding student standards and behavior. Students who enroll in the college are given a copy of the *Handbook*, and are expected to be familiar with its contents. Members of the campus community are also expected to be in compliance with local, state and federal statutes which may affect actions on the campus, including, but not limited to, respect for copyright and discrimination or harassment laws. Violations of standards relating to college policy are handled through the Vice President for Student Services' or Vice President for Academics' offices, and may result in various forms of punitive measures up to and including suspension or dismissal from the college. Violations of civil law are referred to local law enforcement authorities.

Academic Policies and Information

ACADEMIC LOAD

A normal full time load for a student is twelve to eighteen credit hours per semester. Most classes are for 3 credit hours and meet twice each week in 75 minute sessions, or three times each week in 50 minute sessions. New students may take additional hours with special permission from the Vice President for Academics. Returning students are permitted additional hours at the time of enrollment based on their grade-point average from the preceding semester and their workload. Students residing in the College residence halls are generally required to be full-time students.

BIBLE REQUIREMENT

Each full time student is required to enroll in a minimum of one course in Bible or Theology each semester, unless the minimum credit hours required in the program has been met. Only courses listed with BI, NT, OT, or TH designations will satisfy this requirement.

CLASS ATTENDANCE

The interaction of students and professors in the classroom is a vital part of the educational process at Barclay College. Students are expected to attend all the sessions of each course. Each professor publishes a clear class attendance policy for each course, and students should refer to each class syllabus for details concerning attendance.

PREREQUISITES

Some classes carry prerequisites, or courses that must be completed before enrolling in the class in question. Prerequisites are listed with the course descriptions. Students may not take classes for which they have not met the prerequisite, unless they obtain special permission from the instructor.

COURSE NUMBERING

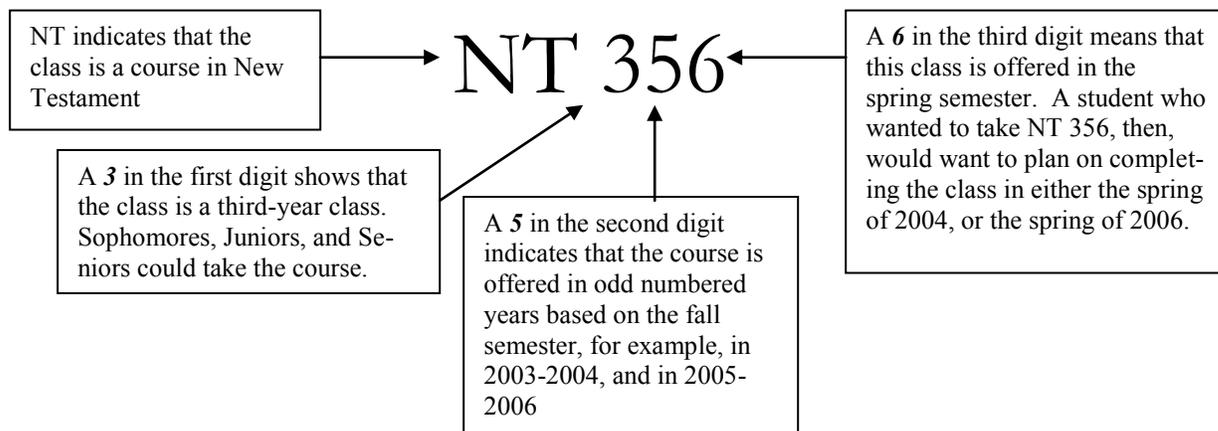

Courses are numbered according to a system designed to provide important information to students and their advisors when planning course schedules. The letters in the course number indicate the area of study: BI for Bible, BA for Business, NT for New Testament, TH for Theology, etc.

The first digit in the course number indicates the course level, or approximate year for which the class is appropriate. Numbers in the 100's are courses intended primarily for freshmen, 200's for sophomores, 300's for juniors, and 400's for seniors. Students are allowed to take classes one level above their classification.

The second digit of the course number designates which year the course will be offered. If the second digit is "0," the course is offered every year; if it is an even number, it is offered in the even years; and if it is odd, the course will be offered in odd numbered years based on the fall semester. If the second digit is "9," the course is offered only on demand.

The third digit of a course number designates the semester the course is offered. If the final digit is odd, the course is offered in the first semester, and if it is even, it is offered in the second semester. A 9 as the third digit indicates courses which may be offered any semester (e.g. a practicum)

A fourth digit, when present, represents the number of credit hours in the course. Below is a sample indicating how students and advisors can interpret course numbers:

CREDIT BY EXAMINATION

Barclay College offers students the opportunity to receive up to 30 hours credit by examination, mostly through the College Level Examination Program (CLEP) and the DANTES (Defense Activity for NonTraditional Educational Support) program, where achievement can be measured against national norms. As an alternative educational route to classroom instruction, credit by examination enables on-campus students to open up the possibility of a minor, accelerate progress through a degree program, or otherwise add flexibility to their schedules.

The Barclay College faculty approves the courses for which CLEP or DANTES exams may be taken establishes prerequisites, if any, and posts the minimum score acceptable for credit.

A list of courses approved for credit by examination at Barclay College is available through the Registrar's office. Students wishing to earn credit by examination in a certain subject should inquire with the Registrar for details and should apply before the semester in which they would normally enroll for the particular course so that if credit is not achieved, they may take the course in sequence.

ACADEMIC CREDIT AND GRADES

Academic credit is awarded for classes completed with a passing grade (D- or higher). Grading and grade point values are shown below:

Affecting one's GPA:

A=Superior	4.0 points
A-	3.7 points
B+	3.3 points
B=Good	3.0 points
B-	2.7 points
C+	2.3 points
C= Adequate	2.0 points
C-	1.7 points
D+	1.3 points
D=Minimal	1.0 point
D-	0.7 points
F=Inadequate	0 points
WF=Withdrawn, not passing	0 points
I=Incomplete	0 points

Not Affecting one's GPA:

WP=Withdrawn passing	0 points
W=Withdrawn	0 points
P= Pass	0 points
NP= No pass	0 points

Mid-semester and semester grades are issued to all students enrolled for credit.

The grade-point average (GPA) is computed by dividing the total number of grade points earned by the number of hours taken. Because "F" and "WF" grades do not add points to the dividend they count as a penalty. The minimum cumulative GPA which must be achieved in order to continue in good standing is as follows:

Hours completed	Required GPA
1-24	1.75
25-55	1.90
56 and up	2.00

A copy of a statement "Satisfactory Academic Progress" is available in the Student Financial Services Office. This outlines the relationship between the student's academic standing and the possibility of financial aid.

Definition of Grades: The meaning of the various grades assigned at Barclay College is outlined below:

A grade of **A** represents

- Superior understanding of course material evidenced by almost no errors in fact, and the ability to analyze that material critically, synthesize creatively, and evaluate carefully.
- Complete, sound techniques of scholarship in all projects.
- Creativity, imagination, and intellectual curiosity in relating the course material to other courses and thoughts. Clear, effective ability to communicate concepts, implications, analysis, synthesis, and evaluation from the course to other students and faculty.

- Evaluative ability that specifically includes sound judgment grounded in biblical principles and precepts.

A grade of **B** represents

- Good understanding of course material evidenced by very few errors in fact, and the ability to state generalizations and implications from the material learned.
- Understanding of and consistent application of techniques of scholarship in all projects.
- The ability to communicate concepts and implications from the course to other students and faculty.
- Evidence of increasingly sophisticated ability to evaluate the course material from a biblical perspective.

A grade of **C** represents

- Adequate understanding of course material demonstrated by few errors in fact or internal connections when discussing or testing on course material.
- Adequate competence in techniques of scholarship: reasonable logic, consistent effort to document sources, reasonably clear writing, etc.
- Satisfaction of the minimum standards for the course in terms of reading, preparation, and class participation. The student can articulate several main themes from the course material.
- Evidence of ability to evaluate the broad themes of the class in light of general biblical concepts.

A grade of **D** represents

- Minimal understanding of course material demonstrated by periodic errors in fact or internal connections when discussing or testing on course material.
- Minimal competence in techniques of scholarship.
- Less than adequate reading, preparation, and participation in and for the course. The student has difficulty articulating major themes or concepts from the course material.
- Has difficulty applying biblical principles to course material.

A grade of **F** represents

- Inadequate understanding of course material demonstrated by frequent errors in fact or internal connections when discussing or testing on course material.
- Inability to use sound techniques of scholarship: plagiarism (accidental or intentional), irrational or fatally flawed logic, inability to communicate in writing, etc.
- Failure to meet the course standards. The student cannot articulate major themes and concepts. There is minimal or no evidence of increased or changed knowledge, skills, attitudes, or behavior.
- Inability to connect biblical principles to course material.

INCOMPLETES

Incomplete grades must be removed within one calendar month counting from the last day of the semester in which they were given. Incompletes not completed within the month automatically become failing grades (F).

REPEATED COURSES

A student who fails a required course must enroll in that course at its next offering. When such a course is repeated, the latest grade is used in determining the GPA.

ACADEMIC HONORS

At the close of each semester, the names of all students whose semester GPA is a 3.5 or higher for a minimum of twelve hours of credit are published on the Dean's List. Online students are included in the winter listing, and must have a cumulative GPA of 3.5 or higher on 24 hours earned from Barclay College.

Honors are awarded at graduation according to final cumulative grade-point averages, as follows:

3.90 – 4.0	<i>Summa Cum Laude</i>
3.70 – 3.89	<i>Magna Cum Laude</i>
3.50 – 3.69	<i>Cum Laude</i>

To qualify for these honors a student must complete a minimum of three semesters (or thirty-six semester hours) at Barclay College. For transfer students the GPA will be computed from the grades earned at Barclay College provided the student has completed thirty-six credit hours as a full time student at Barclay College.

A limited number of seniors may be nominated by the faculty to membership in Delta Epsilon Chi, the honor society sponsored by the Association of Biblical Higher Education and/or for listing in *Who's Who Among Students in American Universities and Colleges*.

ACADEMIC PROBATION OR SUSPENSION

The entire college academic record, including withdrawn failing, is used to determine academic status. Any student who does not meet the standard of minimum acceptable progress will be placed on probation for the following semester.

Hours Completed	Probation Cum GPA
1-24	1.75
25-55	1.90
56 and up	2.00

Consequences of Academic Probation:

- The student will be required to be in Study Hall at least one hour per week.
- The student will not be eligible for varsity sports, cheerleading, or choir touring, and may not represent the College except in those areas where academic credit is being earned.
- The probationary semester's enrollment is limited to 12 – 13 hours.
- The student's campus employment will be limited to 3 hours per week.

Failure to achieve the minimum acceptable cumulative GPA during a probationary semester normally results in academic suspension, which means complete separation from the College for at least a subsequent semester. A student may be granted permission by the faculty to continue

on academic probation if he or she has made satisfactory progress toward achieving the required minimum cumulative GPA. This possibility remains as long as the GPA is improved. If the GPA is lowered or remains unchanged, the student will be placed on academic suspension.

A student, who has been suspended for academic reasons, but wishes to be considered for readmission, must apply through the Admissions Office. Students who are granted readmission following an academic suspension are re-enrolled in the college under the following conditions:

1. The maximum enrollment for the student is 12-13 semester hours.
2. Such students may not represent the College except for Choir and local Christian Service assignments.
3. The student must achieve satisfactory academic progress during the first semester of re-enrollment, which means that academic progress must be measurably better than the student's previous experience at the college.
4. Students who fail to achieve satisfactory academic progress during the first semester of re-enrollment will receive an academic dismissal from the college, and will not be eligible for readmission for a period of two academic years following the dismissal. Following the two-year period, the student could reapply through the admissions office and be admitted as a regular student.

CLASSIFICATION OF STUDENTS

Classification is based upon a student's academic standing in terms of credit at the beginning of each semester.

Freshman (Fr.):	students with 1-24 credit hours.
Sophomore (Sm.):	students with 25-55 credit hours.
Junior (Jr.):	students with 56-86 credit hours.
Senior (Sr.):	students with 87 or more credit hours.
Special (Spec.):	post-graduate and students enrolled in five hours or less.

ADMISSION TO A PROGRAM OF STUDY

Each student must apply for admission to a program of study when the major has been selected. It is an advantage to file as early as possible, but it should be done no later than the second semester of the sophomore year. Applications should be received in the Registrar's office by October 15 to be processed for spring pre-enrollment, and by March 1 for the Fall pre-enrollment.

MAJORS:

Bible/Theology (BT)
 --Bible as a Second Degree (B2)
 Business Administration (BA)
 Christian School Elementary Education (CSEE)
 Music Ministry (MM)
 Missions (MI)
 --Missions: Bi-Vocational (MIB)
 --Missions: Nursing (MIN)

 Information Technology (ITm)
 Missions (MIm)
 Music (MUm)
 Psychology (PYm)
 Youth Ministry (YMm)

Each major has its own procedures for admission. These may include entrance interviews, mid-point evaluations, and exit examinations. Students are responsible for familiarizing themselves concerning these requirements. Information may be obtained from the Department Chair, advisors for each major, or from the Academic office (Vice President for Academics or Registrar).

LIBRARY AND OTHER LEARNING RESOURCES

Barclay College offers a full-service library program to all of the college's students and employees. Worden Memorial Library contains approximately 55,800 volumes and 115 periodical subscriptions that support Barclay's curriculum.

In addition, Worden Memorial Library provides many Internet services to students and has access to the Kansas Library catalog which contains the holdings of most of the libraries in Kansas. Through the Kansas State Library and the state's regent's universities, Barclay students have access to OCLC's Firstsearch online database, Gale Group's InfoTrac database, EBSCOHost, Encyclopedia Britannica online, and World Book Encyclopedia online. Put together, these links provide Barclay College students with access to over one million full-text or abstracted titles.

Full print and CD-ROM reference works as well as Bible software is also available to library patrons. Other individualized CD-ROM products that support specific courses are also available.

Worden Memorial Library offers bibliographic instruction and research assistance to all patrons. The library is accessible from the Internet at www.barclaycollege.edu/Academics/library.asp, and offers quality links to World Wide Web sites that will assist Barclay students with their research.

Barclay students also benefit from a computer lab that is open to all students. The lab features a range of productivity tools including word-processing, database, spreadsheet, and Bible software, as well as Internet access and e-mail. The campus network provides file storage space and file backup for each student, as well as Internet e-mail service. Network and Internet access data ports are available throughout the Library building and in all classrooms and the residence halls.

DEGREES AWARDED

The College awards three degrees: Bachelor of Arts, Bachelor of Science, and Associate of Arts. Associate of Arts degrees may be earned in Biblical Studies or in General Studies, and normally require two years to complete. Programs of study leading to the granting of Bachelor degrees usually require a minimum of four years to complete. Four-year degrees may be earned in any of the major fields of study listed: Bible/Theology, Bible as a Second Degree, Business Administration, Christian School Elementary Education, Music Ministry, Missions, Missions: Bi-Vocational, Pastoral Ministry, Psychology and Family Studies, and Youth Ministry. Each major requires a concentration of Bible studies, the completion of the core curriculum and additional hours in general studies, and the professional courses for the major. The Bachelor of Arts is distinguished from the Bachelor of Science by a minimum of one year (six hours) of foreign language study.

Choice of degree and major field of study may be made in consultation with the respective department chairperson, the student's advisor, the Vice President for Academics, or the Registrar during the freshman or sophomore year. Students are advised to choose a program of study early in their educational career.

A Credit Analysis that outlines the program of study that leads to a degree may be obtained from the Registrar.

Students who have already been granted a bachelor's degree at Barclay College or another institution may earn a second bachelor's degree in another major at Barclay College. This normally requires at least one additional year of study. Transfer of credits from other institutions may be allowed, and will follow normal transfer policy, including the completion of most of the upper division courses in the second major at Barclay College. For the second bachelor's degree, students must meet the following criteria:

- 1) Give the Registrar written notice of intent to complete the second degree two semesters before the intended date of graduation,
- 2) obtain approval from the Registrar to pursue the course of study,
- 3) complete all the catalog requirements for the second major, and
- 4) complete a minimum of 30 credit hours beyond the number required for the first degree.

PRACTICUMS AND INTERNSHIPS

All students of Barclay College have experiential learning included in the curriculum for their major as a practicum or internship, or both. In cooperation with their advisor, students will plan a field experience that will provide meaningful practice and additional learning in the student's chosen course of study. The timing of the practicum or internship will depend on the rest of the student's schedule and progress through the curriculum.

Many students will wish to fulfill the hands-on requirements for internships and practicums during the summer months. Students have three enrollment options: Internship or practicum courses may be included as part of the previous spring semester, as a separate summer session, or as part of the following fall semester. The student and his or her advisor will determine how best to schedule the course in question. Students wishing to enroll in a practicum or internship that contains a summer component should consult their advisor during the fall of the previous year, and should enroll at the beginning of the spring semester preceding the summer in question. If the student and advisor determine that it is best to enroll for the course as a separate summer session or for the following fall, then the student should register for the course toward the end of the spring semester preceding the summer in question. In any case, students should note that they must have a plan for the practicum or internship approved and on file with their advisor, and have notified the Registrar's office well before leaving school for the summer. Students will not be permitted to use summer experience to fulfill the requirements for a practicum or internship if they did not consult with their advisor and register with the college before the summer began.

CHRISTIAN SERVICE

The Christian Service Department provides practical experience in Christian ministry that correlates academic knowledge with in-service training. In the Christian Service Department, learning and training occur by doing, as students practice ministry and compassion skills and attitudes in local youth groups, Sunday schools, nursing homes, neighborhoods, jails, etc. Students are required to participate in Christian Service each semester, since Christian Service is considered an integral portion of the total program and eight Christian Service units are needed to meet gradua-

tion requirements. The Christian Service office provides assistance and guidance for students in scheduling their ministry activities.

GRADUATION REQUIREMENTS

Each senior must formally apply for graduation during Fall registration in his final year. The responsibility of fulfilling all requirements for graduation belongs to the student, although the Vice President for Academics, the Registrar, and advisors are available for counsel. Students who leave campus before meeting graduation requirements must maintain continuous enrollment by paying for one credit hour per semester until the semester when all work is completed and filed with the Registrar.

To qualify for graduation, a student must meet the following requirements:

1. Complete the minimum semester hours required in the program of study with the minimum cumulative GPA's noted in the table below:

Program	Cum GPA	Bible GPA	Major GPA
Bible/Ministry Majors – BT, PM, MI, MIB, YM	2.00	2.5 one D allowed*	2.5 no D allowed
Arts/Science Majors – BA, CSE, MU, PY	2.00	2.3 one D allowed	2.5 no D allowed
Online, all majors	2.3 no D allowed in core		
Associates Degrees	2.00		

* refers to the number of D grades permitted in the student's Bible coursework or Major coursework only.

2. Complete at least 60% of the major hours and 30% of the total hours at Barclay College. For students on the Haviland campus, complete at least 30 semester hours in residence study, including 24 of the final 30 or 50 of the final 60.
3. Complete at least one unit of Christian Service for each semester enrolled at Barclay College.
4. Settle one's financial obligations to the college.
5. Complete all academic work required by the appropriate deadlines established by professors, or absolutely no later than 5:00 PM on the Friday prior to commencement exercises. Students who wish to include independent study or Home College courses in their graduation plans must submit the completed course work to their instructor, no later than **two weeks prior to graduation**.
6. Submit a completed Student Learning Portfolio (SLP) as described in the current Barclay College SLP brochure.
7. Demonstrate a maturing Christian life, as assessed by the faculty. A maturing Christian life is one that reflects Scriptural standards of ethical integrity in personal and professional spheres. This is characterized through honest, respectful, and caring relationships and responsible conduct in all areas of life.

All requirements noted above must be met before students are issued a diploma. Generally, students must also meet all requirements for graduation before being permitted to participate in commencement exercises. However, students who will complete their studies shortly after the commencement exercises are held may petition to participate in the ceremony. **Students who wish to petition must submit the request in writing to the Academic Office at least six weeks prior to the expected graduation date.** The academic office will consider petitions in accordance with the current policy, and students will be notified regarding the outcome of their petition. Students whose petition is granted will be allowed until the following September 1st to complete requirements. Students who fail to meet the September 1st deadline, and who wish to complete their degree, must reapply for admission to the college; seek admission to the major again; reapply for graduation, including the appropriate fee; and complete their major under the current issue of the college catalog, regardless of their previous standing.

TRANSCRIPTS

Students who desire a transcript of their college work should submit a written request to the Registrar. Upon the first request, one copy of the transcript is furnished to the student without charge. Each additional copy requested thereafter costs five dollars (\$5.00). The fee should accompany the request. A transcript will not be issued to or for a student who is indebted to the College.

Requests for transcripts must be made in writing and should include the student's signature; the required fee; the years of attendance at Barclay College; social security number; and if married after graduation, the maiden name.

COURSE CHANGES

The College reserves the right to withdraw courses for which there is insufficient enrollment, to add courses for which there is a demand, to revise teaching and time assignments, and to regulate class size.

COOPERATIVE AND SPECIAL PROGRAMS

Barclay College has working arrangements with other institutions and organizations that provide additional opportunities for students to broaden their education during their years at Barclay. Some of these are noted below:

Focus on the Family Institute: Barclay College students may apply to the college faculty for a nomination to attend a special semester in Colorado Springs, Colorado focusing on Christian Worldview Studies at the Focus on the Family Institute. Credits are transferable to Barclay, and students may be able to apply some course work to course requirements at Barclay College, depending on the student's major. Sophomore, junior or senior students interested in adding a unique dimension to their college studies through Focus on the Family should inquire at the Barclay College academic office.

International Ministry Trips: Barclay College students have the opportunity to participate in international ministry trips each year. The destination varies, and in recent years has included Mexico, continental Europe, and Ireland. College credit is usually available for these trips.

OMS International: Junior or Senior students interested in extended field experience in missions can take advantage of opportunities to serve with OMS International. To learn more and begin the application process, interested students should contact the academic office.

Youth For Christ: Students at Barclay College who are interested in ministry to youth will find an avenue for practical experience through the local Youth For Christ chapter. In addition, Barclay students may structure a youth ministry major so as to earn YFC credentials as part of their academic program. Please see pages 80 and 81 of this catalog detailing the Youth Ministry major for more information.

NON-TRADITIONAL EDUCATION

Barclay recognizes that not everyone is able to move to Haviland to take classes in the traditional format. The College is serving the needs of people who want to obtain college education without disrupting their work and family commitments through a growing program of non-traditional methods. Each of the following programs offers college-level education in flexible forms.

CREDIT BY EXAMINATION

Please see the description of Barclay College's credit by examination program on page 45 of this catalog.

HOME COLLEGE

Interested students can select from more than thirty courses from Barclay College without ever leaving their homes, and can earn up to thirty hours toward a degree through the Home College program. The Home College program offers full college credit courses in Bible, Theology, Ministry, and General Education. New courses are being offered on a regular basis. Please contact the Home College office for more information and a full catalog of course offerings.

LIFE EXPERIENCE CREDIT

Adult, non-traditional students enrolled in the college may seek college credit for learning acquired through significant experiences in employment or other non-traditional educational experiences. The Life Experience Credit program is designed to benefit adult learners who are returning to college after several years of professional experience.

To apply for credit, students submit portfolios and applications demonstrating learning that is substantially equivalent to that gained from taking a similar college-level course. Application

forms are available from the Academic Office. Portfolios will be considered for academic credit according to the following criteria:

- 1) Experiences for which credit is requested are compatible with the College's purpose and program.
- 2) The subject area is one in which the College has existing curriculum. For example, Barclay would not award LEC for work in engineering, but might grant credit for work toward a general science class.
- 3) The learning experience was a personal experience from which the adult can demonstrate the learning of generalized truth and the application of the knowledge gained.
- 4) The breadth and depth of learning is substantially equivalent to or exceeds the scope of a traditional college-level course in the same subject.
- 5) The credit requested does not already appear on the student's college transcripts.

Academic Programs

THE ACADEMIC PROGRAM

The curriculum at Barclay College is organized in three divisions: Bible and Ministry, General Studies, and Arts and Sciences. The chairperson of each division works with the appropriate faculty to ensure that the goals of both the division and the college are being met. Each division is responsible for its associated majors, and offers advising for students. The structure of the curriculum and associated majors are shown below. All baccalaureate graduates of the traditional campus program earn majors in both Bible and an additional subject of the student's choice. To avoid repetition throughout the catalog, the words "Bible and" have been omitted from the major titles.

PURPOSE

The purpose of the Division of Bible and Ministry is to equip all Barclay College students with an essential awareness of biblical content and the skills necessary to use the Bible for a lifetime of personal inspiration, growth, guidance, and ministry to others. In addition, the division provides students who desire to major in Bible or Ministry the professional expertise, knowledge, and skills necessary to minister effectively in contemporary society.

OBJECTIVES

The objectives for the Division of Bible and Ministry are that students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.

7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking. In addition to these overall objectives, each of the majors within the division lists additional objectives specific to the particular major.

The Division of Bible and Ministry contains the following Bible or Bible-related core courses in which all students of the College are required to enroll:

Bible and Ministry Division Core	27 hours
Part I. Bible Concentration: 17 hours	
BI 205 Bible Study Methods	3 hours
NT 102 New Testament Survey	3 hours
OT 101 Old Testament Survey	3 hours
TH 302 Doctrine of Holiness	2 hours
TH 308 Teachings of Friends (for members of the Friends Church; other students may choose an NT or OT elective)	3 hours
3 hours chosen from:	3 hours
NT 241 Synoptic Gospels (3 hours)	
NT 362 Acts (3 hours)	
NT 356 Writings of John (3 hours)

CM 104 Personal Evangelism Seminar	1 hour
CM 107 Survey of Church Ministry	3 hours
MI 2083 Intercultural Ministry	3 hours
SL 101 Spiritual Formation I	3 hours

In addition to the core, students in each major will take additional classes from the Division of Bible and Ministry in order to meet the specific Bible and Bible-related requirements for their major. All students graduating from the traditional program of the college are required to complete a minimum of 30 hours of Bible and Bible-related courses. The course requirements listed with each major on the following pages detail the additional classes or electives required.

Students in ministry-related majors (Missions, Pastoral Ministry, and Youth Ministry) are also required to take all of the courses in the Professional Ministry Concentration shown below. The courses in the Professional Ministry Concentration are also listed again with each major.

Professional Ministry Concentration	18 hours
CM 222 Biblical and Historical Models of Ministry	3 hours
CM 355 Ministry Leadership	3 hours
CM 356 Ministry Management	3 hours
PM 412 Counseling for Christian Leaders	3 hours
PY 242 Interpersonal Relationships	3 hours
SL 102 Spiritual Formation II	3 hours

ASSOCIATE OF ARTS: BIBLICAL STUDIES

The Associate of Arts in Biblical Studies is designed to provide a two year course for students not desiring or able to complete a four year degree, but wishing to have training in Bible and related courses in order to render competent service as lay persons in a local church. Students who are interested in gaining a solid foundation in Christian and biblical studies before transferring to complete a degree not offered at Barclay College will also benefit from the program.

OBJECTIVES

Students who complete the Associate of Arts in Biblical Studies will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Demonstrate greater maturity in the interpretation and understanding of the Bible.
2. Apply several methods of Bible study.
3. Develop an adequate foundation upon which students may build as they transfer to complete a four-year major at another college.
4. Meet the objectives of the Division of General Studies

BACHELOR OF ARTS: BIBLE/THEOLOGY

The Bible is God's inerrant, direct communication to all humanity, and theology has been called "the greatest science." The Bible/Theology Major is designed for students whose desire is to know and develop an understanding of God, the Bible, the Christian world view, and God's work in the world; and to take that understanding into society in order to evangelize, disciple, and live as an example of God's provision for humanity through Jesus Christ. The Bible/Theology major is appropriate for students with a variety of vocational goals, including teaching the Bible in various ministry or Christian school settings, service with Christian para-church agencies, or simply a desire to witness effectively while engaged in another business or professional career. The program can also serve as an excellent foundation for those who plan to continue their education at the seminary level.

OBJECTIVES

Students who complete the Bible/Theology major will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Apply several methods of Bible study.
2. Recognize major historical-critical theories of Biblical interpretation.
3. Develop a foundation in biblical studies on which to build further learning through graduate school.
4. Meet the objectives of the Division of General Studies.

BACHELOR OF SCIENCE: BIBLE AS SECOND DEGREE

Every student who graduates from Barclay College does so with a degree in Bible. Most students also earn a professional degree from Barclay. For those students desiring a Biblical education and a professional degree that Barclay does not offer, the college offers the Bible As Second Degree program. In this program, students earn a B.S. from Barclay in conjunction with a B.A. or B.S. from another college.

REQUIREMENTS FOR ESTABLISHING A BIBLE AS SECOND DEGREE ARRANGEMENT:

1. The second institution must be accredited.
2. The agreement with the other institution must be arranged in advance.
3. Students interested in this program must apply through the Registrar's Office.
4. Proof of completion of the major at the second institution must be made to Barclay via transcript from the second institution in a timely fashion to allow participation in commencement.
5. Graduates pay the graduation fee at Barclay College.

OBJECTIVES

Students who complete the Bible As Second Degree program will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.

BACHELOR OF ARTS: MISSIONS

Many have said of missions that it expresses the heart of God, and surely there is no greater task than to bring the message of hope in Jesus Christ to the world. The Missions major is designed to give students a comprehensive understanding of the biblical principles and cultural, social, and personal issues related to being an effective witness for Christ in the twenty-first century. Students who complete the program will demonstrate the basic qualifications to serve as a Christian missionary, either on a home or foreign field.

OBJECTIVES

Students who complete the Missions program will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Articulate the Biblical basis of world missions and the role of the Church in missions, and exhibit a broad knowledge of history, geography, peoples, and governments.
2. Prove their ability to research and report on the historical, ethnic, religious, social, cultural, and political background of the areas in which they may serve through assigned research projects and area studies.
3. Display a broad knowledge of the history of the development of missions and the state of the Church and missionary status in foreign countries.
4. Demonstrate their personal commitment to missions by discerning and testifying to what they believe to be God's specific will for them.
5. Communicate Biblical truths in a cross-cultural setting and distinguish between Christian faith and human culture.

6. Reveal a competency in and understanding of missionary principles and practices as a result of course requirements in the missions curriculum and manifest the ability to adapt to a different culture through a practicum program.
7. Demonstrate their ability to relate effectively and intelligently to supporting churches.
8. Meet the objectives of the Division of General Studies.

BACHELOR OF SCIENCE: MISSIONS: BI-VOCATIONAL

The Bible and Missions: Bi-Vocational program prepares students to serve as missionaries while supporting themselves with a technical skill (agriculture, automotive maintenance, etc.). Hundreds of millions of people have no chance to hear the Gospel because they live in countries where full-time Christian workers are not allowed. However, Christians with certifiable skills can often be admitted to these countries.

OBJECTIVES

Students who complete this program will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Fulfill the objectives of the Missions Major.
2. Demonstrate competence in a vocational/technical field of expertise that will equip them to be self-supporting in ministry or to enter into mission fields where traditional missionaries are unwelcome or unable to gain access.
3. Meet the objectives of the Division of General Studies

Barclay College has an arrangement with the nearby Pratt Community College/Area Vocational School that allows Barclay students to pursue vocational studies there. Students enrolled at Barclay may complete certificate or non-certificate programs as noted on the following pages. Classes within the vocational concentrations are completed at Pratt Community College; all others are completed on the Barclay campus. Because of the addition of the vocational concentration, this major may require additional time beyond the traditional four years.

Vocational Concentration Options for Missions: Bi-Vocational Major

The Vocational Concentration options listed are sample programs dependent on Pratt Community College's scheduling and arrangement of courses. Some courses and programs may vary somewhat from those listed here, and new programs not listed here may be available. In some cases, students may add classes or make other changes to individualize the concentration. The faculty and administration of Barclay College will assist students with arrangements with Pratt Community College. The PCC catalog in print at the time of the Barclay student's enrollment in the Vocational Concentration will determine the actual content and course sequence of the concentration.

BACHELOR OF ARTS: PASTORAL MINISTRY

God has chosen to do His work through the local church. The major in Pastoral Ministry is designed for the student who is called to local church ministry and leadership. A student who has completed the program will demonstrate the basic qualifications for serving as pastor of a local church and the foundation for a lifetime of developing ministerial skills.

OBJECTIVES

Students who complete the Pastoral Ministry curriculum will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Understand their personal call into ministry, and explain the biblical purpose of the local church and the role of the pastor within the local church.
2. Use lessons from church history and current methods of pastoral ministry to develop a sound philosophy of local church ministry.
3. Develop an understanding of how one discerns God's vision for the future for a local congregation, how that vision is communicated, and how to mobilize the congregation for implementing activities by which the vision may be realized.
4. Accurately interpret scripture, using sound methodology and a familiarity with New Testament Greek.
5. Craft and deliver sermons which help listeners apply biblical principles to the problems and possibilities they face in the twenty-first century.
6. Conduct specialized worship ceremonies such as weddings, funerals, dedications, baptisms and communion.
7. Meet the objectives of the Division of General Studies

BACHELOR OF SCIENCE: YOUTH MINISTRIES

Statistics indicate that the average age at which people accept Christ as their Savior is sixteen. Youth Ministries graduates will be prepared to minister to adolescents at this critical life stage when the possibilities for evangelism and discipleship are so great. The Youth Ministries major is designed to give students the skills necessary for effective ministry to youth as well as an understanding of the broader context of youth ministry within the Church and the Christian family.

OBJECTIVES

Students who complete the Youth Ministries curriculum will meet the objectives of the Division of Bible and Ministry, as well as the following objectives specific to this major.

Division Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Exhibit a lifestyle that is characterized by simplicity, integrity, responsibility, and order which reflects concern for the social implications of the gospel and lends credibility to a Christian testimony.
4. Demonstrate the basic knowledge and ability required to minister to others in their own cultural group and across cultural boundaries, utilizing appropriate technology and relevant forms of both written and verbal communication.
5. Demonstrate perseverance and commitment, and the ability to work productively both independently and in teams.
6. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
7. Demonstrate the ability to find, process, and apply information that is relevant to one's Christian life and ministry through the exercise of both critical and creative thinking.

Specific Program Objectives: students will

1. Understand family relationships and biblical principles for ministry to families.
2. Effectively relate to youth, parents, congregation and church leadership.
3. Demonstrate the skills to minister to youth as exhibited by their ability to
 - A. Address administrative issues peculiar to ministry with youth in the local church environment.
 - B. Relate and communicate within the context of youth culture while challenging young people to transcend their culture and live for Christ.
 - C. Recognize and adjust to various ministry environments.
 - D. Speak effectively to youth.
4. Meet the objectives of the Division of General Studies.

Youth For Christ Credentialing: In partnership with Youth For Christ, Barclay College conducts and participates in YFC training opportunities that can be added to a Youth Ministries major, and that can be used to obtain ministry credentials from Youth for Christ. Please inquire of the Youth Ministry Chairperson for further information. Students electing to complete YFC training may replace some or all of the General Studies Electives noted above with YFC classes.

YFC Classes Available:

YM 317	YFC Ministries (Sullivant Training)	2 hours
YM 343	Directed Study (NYWC)	2 hours
YM 419	YFC Summer Institute	1-6 hours
YM 499	Directed Research in Bible and Theology	2 hours

CERTIFICATE PROGRAMS

Three different Bible Certificate programs are offered by Barclay College. Two of the Certificates requires 15 hours of course work which may be completed either through correspondence or through classes on campus or a combination of both. The third certificate is offered as a synchronous on-line program. Students work through the program as a cohort. Upon completion of the required hours the College grants a Certificate. The Bible Knowledge Certificate consists of a block of 9 required hours and 6 hours of Bible electives. The Bible and Ministry Certificate has a 9 hour block of required hours and 6 hours of electives drawn from ministry courses. The Bilingual Certificate in Bible and Ministry has a set of required classes.

OBJECTIVES

Students who complete the Bible Certificate curriculum will meet some of the objectives of the Division of Bible and Ministry and some specific to the certificate programs, as noted below:

Certificate Objectives: students will

1. Understand the need for, meaning, and practice of a personal relationship with God through Jesus Christ.
2. Demonstrate a working knowledge of the Bible and essential Christian doctrine, the ability to accurately interpret Scripture, and an increasingly coherent Christian worldview that enables them to apply biblical principles to questions of ethics, compassion, and all other life situations.
3. Develop the skills and understanding necessary for personal Bible-study, prayer, and devotional life which can sustain and empower one's personal life and ministry to others.
4. For the ministry certificate, demonstrate a basic level of knowledge related to encouraging and supporting members of local church congregations.

Division of General Studies

Associate of Arts
General Studies

PURPOSE

The purpose of the Division of General Studies is to equip students with an essential foundation in general knowledge that all college graduates may be expected to know. This equipping not only provides the required knowledge base, but also prepares students for further study, gives them the ability to relate to others on a variety of topics, and provides insight into how people think and feel. Such awareness increases students' ability to communicate across cultural boundaries and effectively operate in and minister to contemporary society.

OBJECTIVES

As a result of completing the General Studies portion of their curriculum, students will

1. Demonstrate an essential foundation of thinking, study, and research skills.
2. Demonstrate the ability to be articulate in both written and verbal forms.
3. Demonstrate the ability to use technology to learn and to be productive.
4. Demonstrate the ability to work productively both individually and in teams.
5. Have a working knowledge of God's physical creation as described through the sciences and mathematics, and understand how those fields contribute to technological innovation and influence society.
6. Understand at an introductory level the broad range of human thought, endeavor, accomplishment, and struggle as expressed in history, philosophy, art, music, literature, and family and other social and political systems.
7. Demonstrate a working knowledge of the many diverse attempts to explain the human experience both within and outside evangelical Christianity.

In order to meet the objectives of the Division of General Studies, the faculty of Barclay College have adopted a Division Core curriculum which all students must take. This General Studies Core is listed on the following page, and is listed again with each major.

General Studies Division Core [32 Hours]

<i>Communications:</i>		12 hours

Additional General Studies Courses

In addition to the core program, each major or course of study at the college requires additional specific or elective general studies courses to further broaden the student's background and understanding.

ASSOCIATE OF ARTS: GENERAL STUDIES

The Associate of Arts in General Studies is designed

- 1) To provide a two year course for the student not desiring or able to complete a four year degree but wishing to have training in Bible and general college studies in order to render competent service as lay persons in a local church, to broaden and deepen their thinking, and to prepare for vocational positions requiring an associates degree.
- 2) To provide Bible College course work for the student wishing to gain a strong biblical foundation before transferring to another institution to complete a major not offered at Barclay College.

OBJECTIVES

Students who complete the curriculum for the Associate of Arts in General Studies will meet the following division and program objectives:

Division Objectives: students will

1. Demonstrate an essential foundation of thinking, study, and research skills.
2. Demonstrate the ability to be articulate in both written and verbal forms.
3. Demonstrate the ability to use technology to learn and to be productive.
4. Demonstrate the ability to work productively both individually and in teams.
5. Have a working knowledge of God's physical creation as described through the sciences and mathematics, and understand how those fields contribute to technological innovation and influence society.
6. Understand at an introductory level the broad range of human thought, endeavor, accomplishment, and struggle as expressed in history, philosophy, art, music, literature, and family and other social and political systems.
7. Demonstrate a working knowledge of the many diverse attempts to explain the human experience both within and outside evangelical Christianity.

Specific Program Objectives: students will

1. Demonstrate the skills and knowledge appropriate to Associate-level college graduates.
2. Possess the skills and knowledge needed to continue in baccalaureate work at Barclay College, or to transfer to another institution.
3. Meet the objectives of the Division of Bible and Ministry.

PURPOSE

The purpose of the Division of Arts and Sciences is to equip the students of Barclay College who major within the division with the knowledge necessary for ministry within a particular vocation or career field that is outside the scope of what has been traditionally called “full-time Christian service.” There are two primary emphases: developing the skills necessary for professional competence, and understanding how a Christian uses those skills and his or her biblical knowledge and relationship with God to influence others for Christ and effect positive change in the working environment.

OBJECTIVES

The objectives for the Division of Arts and Sciences are that students shall be able to

1. Articulate why for the Christian, all vocations to which God leads are calls to stewardship and ministry.
2. Explain how a Christian worldview impacts vocational attitudes, ethics, and meaning.
3. Articulate how biblical principles related to one’s chosen field integrate with or critique “secular” knowledge of the same field.
4. Demonstrate the ability to construct a biblically informed approach to their vocational field.
5. Demonstrate competence in their chosen field at a level appropriate for graduates of a baccalaureate program.

BACHELOR OF SCIENCE: BUSINESS ADMINISTRATION

The Business Administration curriculum builds a general background in business and integrates this with Christian principles. It is designed to equip the student to serve the Lord in business or a business-related ministry.

OBJECTIVES

Upon completion of the program, the student will meet the objectives of the division of Arts and Sciences, as well as additional objectives particular to this major.

Division Objectives: students shall be able to

1. Articulate why for the Christian, all vocations to which God leads are calls to stewardship and ministry.
2. Explain how a Christian worldview impacts vocational attitudes, ethics, and meaning.
3. Articulate how biblical principles related to one's chosen field integrate with or critique "secular" knowledge of the same field.
4. Demonstrate the ability to construct a biblically informed approach to their vocational field.
5. Demonstrate competence in their chosen field at a level appropriate for graduates of a baccalaureate program.

Specific Program Objectives: students will be able to

1. Explain the nature, scope, and importance of the business system, and how a business is owned and operated.
2. Apply Biblical ethics and stewardship practices to sound business management principles.
3. Describe the influence of supply and demand, circular flow of income, the business cycle, inflation, interest rates, and taxes on the economy of an area or nation.
4. Describe the basics of business law as it pertains to contracts, sales, employment, risk-bearing, real property, negotiable instruments, and business structure.
5. Outline procedures for establishing and operating a small business, including the development and implementation of a business plan.
6. Demonstrate ability to work with personnel in areas such as recruitment, selection, orientation, training, development, evaluation, and compensation.
7. Describe how managers plan, organize, lead, and control in order to achieve organizational goals.
8. Explain how product development, pricing policies, distribution, and promotion influence the marketing process.
9. Organize and maintain financial records through the accounting cycle for a service or merchandising business.
10. Prepare, analyze, interpret, and make decisions with financial information, including proforma statements and operating, capital, and cash budgets.
11. Pursue graduate studies in the business field.
12. Meet the objectives of the Division of Bible and Ministry.
13. Meet the objectives of the Division of General Studies.

BACHELOR OF SCIENCE: CHRISTIAN SCHOOL ELEMENTARY EDUCATION

Christian School education is a tremendously exciting ministry field. Imagine the thrill of teaching reading, writing, and other essential life skills, while being able to clearly and lovingly communicate God's love and purpose to young students throughout the day.

The Barclay College Christian School Elementary Education major equips students to teach at the elementary level in most private Christian Schools in the United States or in various mission academies overseas. A broad foundation in educational theory and practice with biblical integration is provided, and the student is ready upon graduation to seek professional certification through the Association of Christian Schools International.

OBJECTIVES

Upon completion of the Christian School Elementary Education program, the student will meet the objectives of the division of Arts and Sciences, as well as additional objectives particular to this major.

Division Objectives: students shall be able to

1. Articulate why for the Christian, all vocations to which God leads are calls to stewardship and ministry.
2. Explain how a Christian worldview impacts vocational attitudes, ethics, and meaning.
3. Articulate how biblical principles related to one's chosen field integrate with or critique "secular" knowledge of the same field.
4. Demonstrate the ability to construct a biblically informed approach to their vocational field.
5. Demonstrate competence in their chosen field at a level appropriate for graduates of a baccalaureate program.

Specific Program Objectives: students will

1. Articulate the biblical basis for Christian school elementary education.
2. Display a broad knowledge of the history and origins of educational thought and practice.
3. Reveal a competency in and understanding of essential educational principles and practices as a result of fulfilling the course requirements in the Christian School Elementary Education curriculum.
4. Meet the requirements for ACSI certification in elementary education, and be prepared to serve as elementary teachers in private Christian schools either in the USA or overseas.
5. Meet the objectives of the Division of Bible and Ministry.
6. Meet the objectives of the Division of General Studies.

BACHELOR OF SCIENCE: PSYCHOLOGY AND FAMILY STUDIES

The study of Psychology prepares students to better understand the nature and causes of behavior, feelings, and thoughts, as well as effective techniques for maintaining psychological and social health. The Barclay College program in psychology offers students the opportunity to become acquainted with the principles of psychology in an environment which specifically encourages the critical evaluation of those principles in light of the Bible and God's desire for man's redemption and holiness.

The Barclay College Psychology and Family Studies major offers an emphasis in family systems, equipping the graduate for ministry to modern families. Graduates from the Barclay program will find themselves with an excellent foundation for careers in various ministries, social service institutions, or other occupations where psychological or interpersonal skills are particularly required or valuable. Upon completion of the Bachelor's degree from Barclay College, students who are interested in pursuing the full range of possibilities for careers in Psychology will want to pursue graduate studies. A graduate degree opens the possibilities of a career in counseling centers, education, industry, and health agencies, or, at the doctoral level, opportunities ranging from private practice to teaching or research.

OBJECTIVES:

Upon completion of the Psychology and Family Studies program, the student will meet the objectives of the Division of Arts and Sciences, as well as additional objectives particular to this major.

Division Objectives: students shall be able to

1. Articulate why for the Christian, all vocations to which God leads are calls to stewardship and ministry.
2. Explain how a Christian worldview impacts vocational attitudes, ethics, and meaning.
3. Articulate how biblical principles related to one's chosen field integrate with or critique "secular" knowledge of the same field.
4. Demonstrate the ability to construct a biblically informed approach to their vocational field.
5. Demonstrate competence in their chosen field at a level appropriate for graduates of a baccalaureate program.

Specific Program Objectives: students shall be able to

1. Articulate the complimentary nature of biblical thought and the study of psychology.
2. Display a broad knowledge of the history and origins of psychological thought and practice.
3. Understand and be competent in basic psychological theory, technique, and practice.
4. Demonstrate the ability to serve in ministry or career roles that emphasize interpersonal relationships and development.
5. Possess the skills and background knowledge required to enter graduate school to pursue further studies in psychology or other fields.
6. Meet the objectives of the Division of Bible and Ministry.
7. Meet the objectives of the Division of General Studies.

Minors

Several minors are available at Barclay College. The addition of a minor to a course of study adds an enriching element that provides additional expertise and preparation for a particular career. Adding a minor generally increases the number of hours required for graduation. Due to the double major in Bible and the student's vocational field at Barclay College, the addition of a minor will in most cases require an additional semester.
